ASTROLOGY.

ASTROLOGY.

SCOTT, DR. JOHNSON, BONAPARTE—THESE THREE
All believed firmly in astrology.
And kings and lords, more than the muse can name,
Have put their signet seals to Roback's fame.
From Sweden's land, a singer and a seer
Game o'er the sea to try their influence here.
A Lind, a Roback—each in different ways—
Excited wonder and commanded graise.
There is no family in Sweden better known than that of Roback. For one hundred and seventy-dive years every memher of the race has had the gift of forteeling the future, and declaring the events of the past; and kings, emperors, mobies, and chiefs, have consulted them with reverence. But in none of the race has had the gift been so powerfully developed or so assidationally cultivated as in Dr. C. W. Roback now residing in this city, at No. 6 White street, whose reputation for curing the most fatal diseases, and giving a fortunate termination of all events in business, speculation, and courtisin, is proverbial throughout the United States. He selved all difficulties by astrology, geomancy, the oracles, and the signs of the Zodiac. The nativities he casts are as truthfair as fate itself. He now invites all who are in difficulty to consult him—sil who are sick to come and try the value of astrology. All letters to C. W. ROBACK, No. 6 White street, will be religiously attended to, if pre-paid. For more particulars, call and get an Astrological Almanae, gravis, where certificates can be seen.
